I think we need to say the fund was negotiated separately from the permit application and that this money will go directly to NC communities for the purposes laid out in the MOU

Hey Ford--

I'm writing something short on Pat McCrory's criticism of the MOU and funding announcement made last week with the Atlantic Coast Pipeline approval. Do y'all want to respond to the former governor's criticism?

"Is this legal?

Governor Cooper demanded the Atlantic Coast Pipeline give his administration 58 million dollars for his permission to build a needed natural gas pipeline through North Carolina. 58 million dollars given to the administration of Governor Cooper, not the people of North Carolina."
